\*\*\*\*\*

\*\*\*\*\*

### **Major Function**

Skilled work in assisting in the operation of water or wastewater treatment facilities.

### **Essential Functions**

*Note: These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is a logical assignment to the position.*

Assists Treatment Plant Operators in performing daily operations techniques for water and/or wastewater treatment facilities.

Performs after hour's standby duties and responds to emergency situations as directed.

Lubricates equipment to manufacture's specifications.

Performs other duties as assigned or as may be necessary.

### **Minimum Qualifications**

Ability to carry out instructions relating to water and wastewater operations. Ability to learn to perform required laboratory functions necessary for the operation of water and wastewater treatment facilities. Ability to operate light and medium equipment including push mowers, tractor, and other gasoline powered equipment.

High School Diploma or GED.

Must possess and maintain a valid Florida Driver's License.

Must obtain a Water and/or Wastewater "C" Florida Certification, as appropriate within 18 months of employment.

*A comparable amount of education, training, or experience may be substituted for the minimum qualifications.*

### **Working Conditions**

Position performs physically demanding job duties, occasionally under adverse weather conditions. Must be able to climb twenty (20) foot vertical ladders and lift heavy objects weighing in excess of 50 pounds. Incumbents typically work in the field and would have exposure to high level of dirt, dust, fumes, chemicals and climate.
